ABCO Health Care Pty Ltd

ABCO Wide Change Table

For use in schools, accommodation, sports & special needs facilities and where clients need help with toileting or changing.
ABCO Health Care's 1050mm Wide Change table is designed and manufactured in Australia with a 5 year warranty.
With a full-sized table top it is long enough and wide enough for most patients.

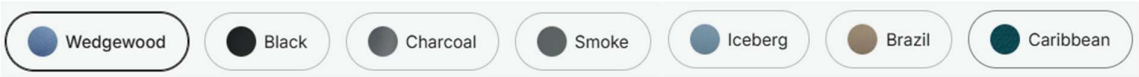

With a minimum height of less than 500mm clients can transfer to the change table independently, from a wheel chair or with a hoist [there is 155mm clearance below the frame for hoist clearance].

Carers can adjust the working height to the best level for them [up to 950mm] using the foot control.

Accessory generously upholstered cot sides and cot ends can also be fitted for extra client security
The four individually braked wheels make moving the couch easy without compromising stability in use. One wheel has a directional locking brake to help control the table when moving.

Factory Fitted Options

- Choice of upholstery colours

Add-ons

Useful additions to your table which can be factory installed when ordering or after purchase with minimal DIY required.

			
Upholstered Cot Side	Upholstered Cot End	Patient Strap	Hand Control or Wireless controls
