

ABCO Sonography Examination Table – Clinical

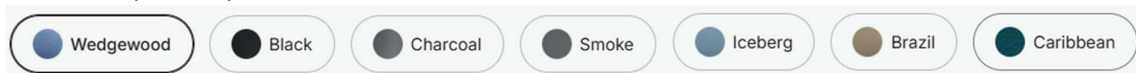

Optimise your diagnostic imaging workspace with the ABCO Sonography Examination Table – Clinical, a heavy-duty, highly adjustable medical couch meticulously engineered for general practice, sonography suites, specialist consulting, and outpatient environments. Built for high-frequency patient care, this premium medical table combines true vertical electric lift columns with advanced safety features and dedicated positioning capabilities to streamline your diagnostic workflows.

- **Electric Negative Backrest:** Effortlessly transitions from flat to a negative incline for specialised examinations and shock management.
- **Vertical Electric Lift (50cm to 90cm):** Rises straight up and down to save space in compact consult rooms while reducing mechanical wear.
- **300kg Lifting Capacity:** Confidently accommodates a diverse patient demographic with smooth, dignified height adjustments.
- **Integrated Face Hole & Plug:** Specifically enhanced for sonography and specialized assessments, the integrated face hole enables comfortable, proper prone positioning for posterior scanning, spinal assessments, and musculoskeletal procedures.
- **Hospital-Grade Mobility:** 125mm Tente lockable castors with directional locks allows safe and precise transit.
- **Pinch-Free Design:** The column-lift mechanism eliminates dangerous scissor-action pinch points, creating a safer clinical environment.
- **Infection Control:** Fluid-resistant medical vinyl easily withstands harsh clinical disinfectants.
- Standard with both Foot Controller and Hand Controller it actively reduces manual handling risks and OHS hazards for busy medical practices.

Factory Fitted Options

- Choice of upholstery colours

- Increase width to 800mm

Add-ons
