ABCO Bobath Neurological Table

Discover the ABCO Bobath Neurological Table, proudly designed and manufactured in Australia.

This table is perfect for neurological treatments, including the Bobath technique, and comes with a reassuring 5-year warranty.

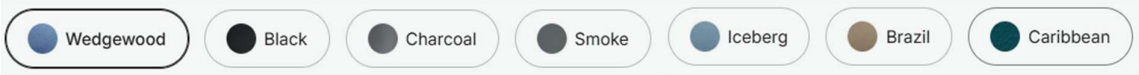

Available in widths of 1000 to 1200mm, it offers a wider base and unique lifting geometry for enhanced stability. You can choose from 1, 2, or 3 section configurations to suit your needs.

With a height range of 450 to 950mm, the table ensures easy access for patients and allows you to set a comfortable working height effortlessly.

The three optional breathe holes with plugs [standard in the two-section option backrest] make patient positioning a breeze, and the electrically operated backrest adds an extra layer of safety. Plus, the 155mm clearance below the base frame accommodates patient hoist access seamlessly.
