

ABCO PhysiPod Hybrid

A fitting compromise for multi-use rooms. The PhysiPod Couch is robust for heavy physio treatment and with a separate seat tilt giving a high heel height, it is very functional for Podiatry and other general treatments.

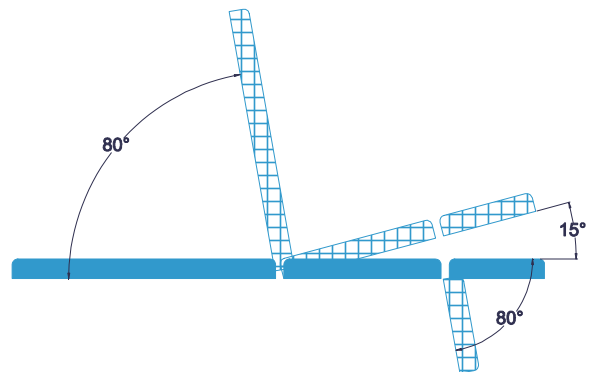

The ABCO PhysiPod Hybrid Couch is designed and manufactured in Australia with a 5-year warranty

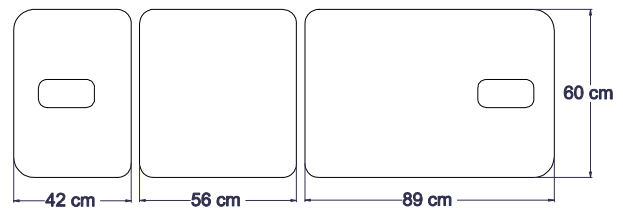

Height and seat tilt are electrically adjustable with foot or hand control. Leg rest and back rest are manually operated.

The height adjustable arm rests can be lowered or removed instantly when not required.

The minimum entry height of 500mm makes access easy for all while the maximum heel height of 1250mm is suitable for standing work.

Height Range 50 - 100 - 125cm with seat tilted

Product Code: **PP30.06021.EMEMF.11W10**
