

ABCO Electric Walking Rails

ABCO Electric Walking Rails | Parallel Bars are designed and manufactured in Australia with a 5-year warranty.

- Completely Battery operated avoiding electrical cables - the powerful 4Ah battery requires charging overnight once per week.
- Adjustment switches at both ends of each rail.
- Lateral movement of only 35cm over the entire height range
- Dual mounting points at base for maximum rigidity.
- Height adjustment of 73cm - 110cm.
- Option of timber rails if preferred.
- Available in 3m, 4m, 5m and 6m lengths. Other lengths available on request.
- Lifting capacity of 200kg per rail.
