

## ABCO Exam G Couch

ABCO Health Care Height Adjustable 2 section Exam G general purpose gynaecology couches are designed and manufactured in Australia.

The low minimum height makes access for frail or disabled patients easy and the maximum height is high enough for tallest carers to work comfortably.

A perineal cut-out and adjustable foot pads help with patient comfort and clinician access.

A comprehensive range of factory fitted options including lithotomy knee supports allows you to specify the best configuration for your requirements.

- [Trendelenburg to 15° option also available]
