

**ABCO Osteo C Osteopathy Table**

The ABCO Osteo C Osteopathy Table is designed and manufactured in Australia to meet the specific requirements of osteopaths.

The twin columns structure:

Provides a much more rigid working surface without 'end-bounce'

Eliminates lengthwise movement during height adjustment

Improves the safety of the couch as there are far fewer points where stray fingers or limbs may be caught

The gas-strut powered head section is enhanced with multi-position arm rests combining patient comfort and improved practitioner access.

Firm upholstery cushioning with sewn edges is comfortable for patients while providing excellent support for treatment.

While the lifting capacity of more than 300kg may rarely be required, the robust structure required to support this capacity ensures a long, trouble-free life.

Product Code: **OS500.06061.C000GF0.10NPO**

| Standard Configuration                  | Factory Fitted Options                     |
|---|--|
| Base Plate without wheels               | Retractable castors                        |
