

ABCO Walking Rails

Fixed base option

ABCO 3m Folding Walking Rails | Parallel Bars are designed and manufactured in Australia

These rails are designed to fold away for storage although they can also be bolted to the floor in the position they will be used. The rails are shaped and lacquered hardwood timber for user comfort and good looks.

The shaped rails also encourage independent standing rather than grasping the rail for support.

With a flat top surface, they can also be used for balance control.

Standard height range is 700 - 1000mm. Also available with 500 - 700mm height range.

Vertical weight capacity of 200kg per rail. Some minor assembly required.
