

ABCO 2 Section Osteopathy Table

The ABCO Osteo Table has been designed and is made in Australia for Osteopathic use.

The twin swing-arm elevation system supports the length of the table, minimising 'bounce' during use.

Removable height adjustable prone arms provide comfortable support for patients while allowing easy access to the head area.

The specially designed upholstery provides a firm surface which enhances treatment outcomes particularly with deep tissue work.

The retractable wheel system makes moving the couch easy without compromising stability in use.

Product Code: **MN4P.06011.E000GF.10W10**

Standard Configuration	Factory Fitted Options
600mm wide Upholstery	700mm
Retractable castors	75mm braked castors
